

WRITE A GREAT SPEECH NOW

3 Simple Steps to Create & Deliver a Powerful Presentation

Adria Firestone's Course @ www.thecharismaexpert.com

Dynamic Adria Firestone is a 'force of nature.' She is well-spoken, multi-talented, and brilliant at communicating with, and inspiring, an audience whether the setting be a darkened theater, a student master class, or a professional board room. Her positive attitude and inspiration are infectious. Adria's passion and generosity for sharing her skills are a special gift to be experienced by all.

John Hoopes, Artistic Director | Nashville Opera

Firestone adria

Inspiring, insightful & one of the most exciting afternoons I have ever spent! ~ Delta Airlines Group

Your coaching transformed me. I have new confidence & rocked my presentation. Our work allowed me to be my best with my sound, my appearance and so calm inside. I have never felt that way before. I got the account! ~ Kathleen N., Medical Sales Rep.

You have a powerful presence. Well-crafted, creative and challenging questions helped us implement your system for clearer communication. ~ Lion's Club, Ponce, PR

Adria, you have helped me with my voice & my presence. Staff meetings were a nightmare. I have learned to loosen jaw tension, strengthen my core and use my breath to speak. Huge difference. Now I can be heard without effort on my part and my body posture and body language are so much more powerful. ~ C. Meyer, The Meyer Group

Leadership, Presentation & Communication

Charisma Is Not a Gift: it's Skill Set

Discover the simple mindset shift that gets you focused and calm, so you nail every speaking gig. Use the Authentic Presentation Formula and deliver your point impactfully, without seeming sales-y. Magnetic listening: Discover how to make your networking fun, your confidence soar and your clients love you.

The Power of the Servant Leader

Command the boardroom with gravity and strength. An inspiring leader serves their team with civility, clear communication and mutual accountability. That kind of leadership transforms a company's culture and the clients you serve.

The Zen of Great Presentation

Have you researched your audience? What is the purpose of your presentation? Learn how to structure your material and present it in a way that is made to stick. Harness the power of body language. Organize your thoughts with clarity and focus and master the art of a great sound bite.

You Are the Artist of Your Life

Pick new colors, a new design and create a life and a business you love. The power of choice transforms your life. When who you are, how you look, how you sound and how you act, all come together, the sky is the limit!
